Re: East Cambridge NCD Study Committee Appointments and Meeting Schedule

Louis A. DePasquale, City Manager of Cambridge, has appointed the seven-member committee for the East Cambridge neighborhood conservation district study. The appointees include Ronald Creamer, Jr., William Dines, Francesca Gordini, Valerie Reece, and three members of the Cambridge Historical Commission.

The study process will assess the character and history of the neighborhood, the development potential of each property under current regulatory conditions, the unique aspects of the neighborhood that are valued by its residents, and the goals, jurisdiction and boundaries of a potential district. Regardless of the eventual result, the process will generate greater understanding of the history of and current conditions in the neighborhood. A map of the study area and other information about the study are posted here: www.cambridgema.gov/historic/districtsHistoricProperties/eastcambridgencdstudy

We will meet on the first and third Mondays from January to June from 6:30 – 8:00 pm unless otherwise noted. Meeting updates will be posted on the city's online calendar and on the district study page noted above.

January 6 th	April 6 th
January 20 th	April 20 th
February 3 rd	May 4 th
February 17 th	May 18 th
March 2 nd	June 1 st
March 17 th	June 15 th

Meetings will take place at the East End House at 105 Spring Street in East Cambridge. All meetings will be open to the public and we hope that there will be a good turnout from the neighborhood for an open and collegial discussion of the topics to be covered.
